Dear Pacific Palisades Community,

- **If you have additional information, please contact LAPD West LA Division Detectives at 310-444-0711. Reference Incident # 2302040003468**

Some simple precautions we can all take to protect ourselves include but are not limited to:

- Carry a Whistle and Pepper Spray
- Take a Self Defense Class
- Make sure someone knows where you are at all times
- Avoiding Walking/Running in the Dark
- Walk in Pairs or Groups
- Program your phone with immediate Emergency Numbers

Lastly, and perhaps most importantly, trust your gut and leave any situation immediately that makes you feel uneasy - and please teach your children to do the same. Thank you for your vigilance in helping to keep our friends, family and neighbors safe.

Best,

Courtney Macker
